

The International Commission on Physics Education (ICPE)
The European Physical Society (EPS)
The Faculty of Mathematics and Physics, Charles University in Prague (MFF UK)

are pleased to announce

ICPE-EPEC 2013

**The combined ICPE International Physics Education Conference
and EPS European Physics Education Conference**

Prague, Czech Republic, August 05-09, 2013

Dear colleagues,

You are warmly invited to the **International Conference on Physics Education**, ICPE-EPEC 2013. The general focus of the conference is **Active learning – in a changing world of new technologies**. For all information, please see the conference website:

<http://www.icpe2013.org>

We hope that many concrete examples of what has really led to successful active learning will be presented. Also, we look forward to sharing more general ideas and thought-provoking visions. In fact, all relevant contributions, theoretical or empirical, will be equally welcomed.

Conference Venue

ICPE-EPEC 2013 will be held in the **Hotel Dorint Don Giovanni** that will provide both conference rooms and accommodation, everything conveniently located in one place.

Important Dates

Abstract submission: December 12, 2012 – April 30, 2013

Registration:

Early: December 12, 2012 – March 31, 2013

Normal: April 01, 2013 – June 15, 2013

Late: after June 15, 2013

We expect 300+ participants from the whole world. Prague is one of the most beautiful cities, and ICPE-EPEC 2013 is a good opportunity to visit it!

Looking forward to seeing you in Prague.

Leoš Dvořák
Head of the Local Organizing Committee
for ICPE-EPEC 2013
